

THE CHALLENGE

To provide funds for programs that enhance the educational experience to help students live up to the Salisbury Township School District vision by improving now to improve tomorrow --

THE METHOD

- Raise monies to ensure the excellence of enhanced educational and enrichment experiences for our students and community.

THE ADVANTAGES

- An independent non-profit organization will raise tax-free dollars.
- Beneficiaries of the Education Foundation's work will be the students of the Salisbury Township School District.
- Business and community residents who support the Salisbury Education Foundation may benefit by contributing to the development of future business and community leaders.

HOW TO BUILD THE FOUNDATION

- Through our status as a non-profit organization with filing currently on record with the I.R.S., we can accept tax deductible donations.
- Through donations from businesses, organizations and individuals, we shall promote community involvement.
- Through various events and public relations, we shall promote awareness of the Foundation.

THE DONATIONS FROM THE FOUNDATION. ~ WHERE WILL THE FUNDS GO?

Funds donated to the Salisbury Education Foundation and the Salisbury Township School District, in cooperation with administrators, parents and educators will complete the goals, objectives and educational needs for our students.

HOW CAN YOU HELP?

Your help is critical. The Foundation is dedicated to raising funds through traditional and capital campaigns, annual giving, bequests and special events. Gifts in the form of cash donations, items for use at the events, and the volunteering of your time are the important ways you can help the Foundation achieve its purpose.

Simply complete and return the enclosed envelope to show your support and commitment to further excellence in education in the Salisbury Township School District.

THE "PAY OFF"

Making a difference in the world is what everyone strives for every day - at home with our families, in school, at work and at play. The education of our children continues to be affected by decreased dollars and the shrinking availability of tax dollars. Funds raised will be used specifically for the needs of the Salisbury Township School District. The funding must come from other sources. Salisbury Education Foundation oversees fund raising programs and continues to seek alternative forms of support.
